EXTREME CERAMIC PROTECTION

ResistAll Marine Extreme is infused with advanced ceramic technology. This technology creates a durable surface that provides a strong barrier between your paint and the environment. ResistAll Marine Extreme provides a comprehensive environmental protection package, exceeding the limited coverage offered by standard manufacturers' warranties.

For all personal watercraft and boats up to 45 ft

CalTex® and ResistAll® are registered trademarks of Cal-Tex Protective Coatings, Incorporated. Refer to the limited warranty for complete terms, conditions, limitations, and exclusions. ©2022 Cal-Tex Protective Coatings, Incorporated • 210.564.3200 www.CalTexUS.com MM1149

INTERIOR COVERAGE

ResistAll Marine Extreme protects the leather, vinyl, and fabric interior surfaces of your watercraft from food or oil-based stains, making cleanup easy. It also has unique UV inhibitors that help reduce fading and cracking.

- Exterior Ceramic Technology
- Interior Stain Resistance
- UV Inhibitors Reduce Fading
- Makes Cleanup Easy
